Dear members and / or non members

Time passes so quickly! We are already at this beginning of year 2008 which is announcing many important activities of all kinds.

I am dressing up an assessment of the activities that the A.F.L.A. held since my return to the presidency in April 2007, well supported by the members of the C.A.. in place.

Our aestival gathering was held at the Solitude-St François in St-François-of-Lake on August 04, 2007. On this occasion, we profited from an extraordinary temperature and that to say the size and beauty of the site! The Chinese auction was appreciated by all and went very well. Thank you again for your support.

At the Christmas dinner, a good group was present. This activity proceeded in the Centre of Interpretation at Baie-du-Febvre, on Saturday November 24, 2007. It was like each year, a convivial meal appropriate for the season. It is of primary importance to give to each one, a good occasion to meet at this specific time of return to the true values.

At this occasion, information on our 20th birthday which will be underlined in Quebec city in 2008 was given. We launched the idea to obtain (a confirmation of presence) for this event, in order to better prepare ourselves there. Some answers are entered and I reiterate to you the invitation. A fallen date was selected as January 11, 2008. Considering the delays for various reasons, it is still time to let us know about your intentions. We were pleased to view a very beautiful power point presentation by Mr. Rodrigue Lemire about a vacation to Arizona, Nevada, Utah etc. in USA Question of making us dream a little, thank you Rodrigue.

For the 20th Birthday of the A.F.L.A., we can certify that the banquet will take place on July 05, 2008 at the Fathers Marists’ residence located in St-Augustin de Desmaures, close to Quebec city. The costs remain to be determined. The committee 2008 works with the organization of the programming of the festivities surrounding it (20th birthday) which will take place them (03-04-05 & 06 of July). Additional information are or will be on our web site: http://genealogie.org/famille/lemire

All these past activities and those active require many efforts to combine the requirements of such a project and the personal life of all the members of the 2008 committee, as well as for the person in charge of the updates in our web site. I congratulate all the efforts made by those, in the hope to make it a real success. Wishing that this year will be one of achievement for all!

Bravo to all of you and again many thanks.
